**Meldrim Woods  
PLANTATION**

**MELDRIM WOODS PLANTATION** is the perfect setting for a wedding or special event. Located on a Southern plantation, operational until the mid 1930's, it evokes love and charm and Southern history. It boasts a restored barn containing many historical items which reflect life as it was in the late 1800's and early 1900's. The barn has an open area as well as an enclosed area under its roof and provides approximately 19,000 square feet of usable space. Spring at Meldrim is beautiful and colored by blooming flowers and fields of planted crops. Today there are cotton fields in full growth or peanuts at their peak and corn on the stalks before harvesting. In the summer, one can see corn before and during its growing season and the husks of golden brown peanuts ready to be harvested. Fall finds cotton in full bloom, their white flowers reminiscent of clouds.

If you are interested in a "Southern Wedding" it can be accomplished easily here at Meldrim through food and atmosphere. A Hunter's cabin is located near the barn and provides comfort in getting ready for the event. Food services and decorations are not provided so one is free to use one's imagination in design and guest satisfaction. A kitchen designed by a food service specialist provides for easy access to servicing any event held at the barn. An ice machine

provides ample ice for at least 500 people. From the parking area, it is only a short distance to a bridge where guests walk under the barn chandeliers and soft lighting made from true wagon wheels used on the plantation during its productive era. Hotels are available for guests in nearby Statesboro or Savannah. Each location is approximately 25 to 30 minutes by car from Meldrim Woods Plantation.
